Here comes the sun – The Beatles

One of my favorite Beatles songs, and in any case my favorite George Harrison song. This

a version for people who can't sing and play the fingerpicking at the same time, so only, and if you want to, you can add this lick – it's the part that makes this song so – (after the first "Here comes the sun"):

```
e|-----|
B|---2---0-2-|
G|-2---2-----|
D|-----|
A|-----|
E|-----| = (1)
